

Works Notice

February 2022

Trackside signalling work

Construction work is well advanced along the Shorncliffe Line to deliver Brisbane's new railway signalling system as part of the Cross River Rail Project.

Details of work

During **February**, construction work will continue in the rail corridor at sites between **Northgate and Shorncliffe stations**.

Activities along the rail corridor will include drilling, excavation, concreting, cable, fence and equipment housing installation, and installing and modifying on-track and trackside signalling equipment.

Work will also continue on the radio mast near Sandgate station, with radio mast foundation works scheduled for Nudgee and North Boondall.

The majority of works will occur between **6.00am and 6.00pm, Monday to Friday**.

To facilitate works, there will be changes to car parks at Sandgate, Deagon and Nudgee. See table overleaf and local signage for more details.

Some activities will be undertaken outside normal construction hours, as per the table below (weather and construction conditions permitting).

Out-of-hours construction

| Date and hours | Location | Type of work |
|-------------------------------------------------------------------------------------------------|--------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------|
| Saturday 5 to Wednesday 9 February between 8.00pm and 6.00am | Deagon Station | Excavation and concreting works including use of a vacuum truck |
| Sunday 6 and Monday 7 February between 10.00pm and 5.00am | Banyo station | Drilling and excavation including the use of a vacuum truck Hold and release traffic management at the Royal Parade East level crossing |
| Saturday 19 and Sunday 20 February between 6.00am and 6.00pm | Northgate to Shorncliffe | Equipment testing Installation of on-track equipment Cable installation Installation of equipment housing |
| | Palm Avenue, Shorncliffe | Electrical upgrade and track modifications including the use of a vacuum truck. Traffic and pedestrian control on Palm Avenue to facilitate works. |
| | Deagon Station | Drilling and excavation works including use of a vacuum truck |
| Saturday 19 February between 7.00pm and 2.00am and Sunday 20 February between 4.00pm and 1.00am | Sandgate Station | Cable hauling |

Shorncliffe line work areas

What to expect if you live alongside the rail corridor

Residents along the rail corridor may see and hear dust and noise associated with the use of machinery and equipment, and mobile lighting towers in work areas during night works.

To minimise impacts environmental controls will manage noise and dust (including noise minimisation practices after hours), and lighting towers will be directed away from residential properties, wherever practical.

What to expect if you're a rail customer

Cross River Rail will transform how we travel to, from, and through Brisbane in the future. But building Cross River Rail means changes during construction. **Plan your journey by downloading the MyTransLink app, visit translink.com.au, or call 13 12 30.**

Car park changes

| Date and hours | Location | Car park changes |
|------------------------------------------------------------------------------------------------------------------------|----------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Ongoing | North Boondall | The Northern end of the Peacock Street car park is currently being used for material storage. |
| From 11.00pm Monday 7 to 6.00pm Tuesday 8 February. | Sandgate | A section of the Curlew Street car park (station end) at Sandgate will be closed to vehicles. Pedestrian access will be maintained. |
| From 6.00am Monday 14 to 6.00pm Friday 18 February | Nudgee | A section of the Nudgee station car park (North-eastern end) will be temporarily closed from Monday 14 February until Friday 18 February. |
| From 6.00am Saturday 19 to 5.00am Monday 21 February | Sandgate | The Kennerley Street car park (near Towner Street) will be closed and there will be no access to bike lockers. The Cobb Street car park will be partially closed to vehicles (station end). Pedestrians to follow guidance. |
| From 6.00am Saturday 19 to 5.00pm Sunday 20 February and then from 6.00am Monday 21 February to 5.00pm Friday 18 March | Deagon | Sections of the car park will be closed. Access to the car park will be via Doris Street. |
