

Works Notice

April / May 2023

Construction update

The Tunnels and Stations team are in the final stages of demobilising from the Northern Tunnel Portal site. Temporary work demolition and site demobilisation will continue throughout April and May 2023 before the site is handed over to the Rail, Integration and Systems team at UNITY Alliance.

UNITY Alliance will remobilise to the northern portal worksite during April and May.

Site demobilisation

Activities to demobilise the site will be undertaken until mid-2023 and will include:

- Transporting and operating oversized plant and equipment.
- Removal of temporary works no longer required for cranes and ground support.
- Final waterproofing, pouring concrete slabs, walls and backfilling the roof.
- Excavating, loading and removing material with trucks.
- Installing mechanical and electrical services.
- Rail deliveries and transportation including use of loaders from surface to tunnel.

What to expect

- Construction activity with potential for an increase in noise, dust, vibration, truck movements and workers.
- Construction impact mitigation activities such as street sweepers and water trucks.
- Work is subject to relevant approvals and weather and site conditions.

Work hours

Standard construction hours
Standard construction hours are 6:30am to 6:30pm, Monday to Saturday.

Out of hours work
Some activities will be completed out of normal construction hours, 6.30pm to 6.30am.

UNITY Alliance – Rail, Integration and Systems update
