

Works Notice

June 2023

Construction update Fairfield station

In May 2023, UNITY Alliance relocated the old Fairfield station waiting shelter to its new home on platform 1 (refer to map) and completed retaining wall construction works. During June 2023, works will continue on station buildings and platform 3, and streetscaping works around station entries on Equity Street and Mildmay Street.

Details of work

The following activities are scheduled to occur between 6:30am and 6:30pm, Monday to Saturday during June 2023, weather and construction conditions permitting:

- Continue inground service relocation including excavation and installation of service conduits and pits
- Continue fit out of the station overpass, stairs, lifts, station buildings and canopies
- Continue final installation of the old Fairfield station waiting shelter in its permanent location on platform 1
- Continue station stormwater and drainage installation works
- Continue streetscaping including removing concrete and material using concrete saws, an excavator (with rock breaker), trucks, installing formwork and concreting to install new kerbing, road profiling and asphaltting on Mildmay Street and Equity Street.

The following activities will occur outside the project's normal working hours, as outlined below:

Location	Date and hours of work	Type of work
Fairfield station	Between 5:00am and 6:30am intermittently during June 2023	<ul style="list-style-type: none"> • Concrete pours using a vacuum truck, concrete pump and concrete trucks.
	Between 2:00am Saturday 17 and 2:00am Monday 19 June 2023	<ul style="list-style-type: none"> • Roofing and ceiling work for platform canopies and station buildings • Stormwater and drainage installation • Service location works and cable service route relocation works • Backfilling the blockwork retaining wall adjacent to the Mildmay Street station entry. Please note that the station overpass will be temporarily closed during this activity.

What to expect

During these works you will notice intermittent disruptions such as:

- Temporary closure of the Fairfield station pedestrian overpass **between 6:30am Saturday 17 and 6:30pm Sunday 18 June 2023** while the station is closed during a scheduled rail closure. Pedestrians are advised to use the Cronin Street overpass during this time
- Intermittent closures of Mildmay Street / Ashby Street between Lanyard Street and Southall Street, and Equity Street between Cronin Street and Clive Street. Access will be maintained to properties located within the road closure extents under traffic control guidance
- Trucks, frontend loaders, excavators with rock breakers, vacuum trucks, mobile cranes, concrete trucks, concrete pump trucks, concrete saws, grinders, small power tools, minor vibrating equipment, generators, and mobile lighting towers to light work areas at night
- Changes around your local area such as construction vehicles, traffic management signs and personnel
- Increased noise, vibration and dust associated with the use of heavy machinery and equipment.

Cross River Rail won't just transform Brisbane, it will transform the way we travel across South East Queensland. But building Cross River Rail means changes to travel and transport services during construction. Plan your journey by downloading the MyTranslink app, visit translink.com.au or call 13 12 30.
