We appreciate your patience during construction and will continue to update you as work progresses.

Mayne Yard construction access points and work areas

What to expect

During these works you may notice some intermittent disruptions such as:

- Light vehicles, trucks and machinery including excavators, augers, vacuum trucks, piling and drill rigs, concrete trucks, small power tools, minor vibrating equipment and mobile lighting towers to light the work areas at night
- Traffic control and signage on Campbell Street and Tufton Street, Bowen Hills for sewer relocation works
- Changes around your local area such as construction vehicles, traffic management signs and personnel
- Delivery trucks and workers' vehicles entering Mayne Yard North via the existing access road at Lanham Street and Mayne Road, Bowen Hills and intermittently via Grafton Street, Windsor
- Some increased levels of noise, vibration and dust associated with the use of heavy machinery and equipment
- Due to the construction of a new rail bridge, a section of Breakfast Creek near Grafton Street, Windsor has been temporarily closed to all boats / vessels until early 2024. The construction area boundaries will be marked with buoys on the water within Breakfast Creek.
