

Works Notice

July 2023

Construction update Fairfield station

In June 2023, UNITY Alliance installed footings for the old Fairfield station waiting shelter on platform 1 (refer to map). During July 2023, works will continue on platform 3, station building fit out and streetscaping on Equity Street and Mildmay Street.

Details of work

The following activities are scheduled to occur between 6:30am and 6:30pm, Monday to Saturday during July 2023, weather and construction conditions permitting:

- Continue service installation for station and street lighting
- Continue fit out of the station overpass, stairs, lifts, station buildings and canopies
- Continue station fencing installation and footing installation for the old Fairfield station waiting shelter
- Removing concrete and material using concrete saws, an excavator (with rock breaker) and trucks
- Continue streetscaping including footpaths, installing light poles and signs, landscaping, installing formwork and concreting for new kerbing, line marking, road profiling and asphaltting on Mildmay Street and Equity Street.

The following activities will occur outside the project's normal working hours, as outlined below:

Location	Date and hours of work	Type of work
Fairfield station	Between 5:00am and 6:30am intermittently during July 2023	<ul style="list-style-type: none"> • Concrete pours using a vacuum truck, concrete pump and concrete trucks.
	Between 12:00am Saturday 1 and 3:00am Monday 3 July 2023	<ul style="list-style-type: none"> • Station platform canopies and buildings fit out works • Streetscaping including concreting and landscaping • Installation of street light poles • Station overpass joint sealing, lift and stair fit out works. Please note that the station overpass will be temporarily closed during this activity • Removal of a tree on Equity Street near the commuter car park (day shift only). A mature native species will be replanted as part of the final station landscaping works • Installation of end of platform asphalt pathways.
	Between 2:00am Saturday 15 and 3:00am Monday 17 July 2023	<ul style="list-style-type: none"> • Station platform canopies and buildings fit out works • Streetscaping including concreting and landscaping • Station overpass sealing, lift and stair fit out works. Please note that the station overpass will be temporarily closed during this activity.

Cross River Rail won't just transform Brisbane, it will transform the way we travel across South East Queensland. But building Cross River Rail means changes to travel and transport services during construction. Plan your journey by downloading the MyTranslink app, visit translink.com.au or call 13 12 30.

We appreciate your patience during construction and will continue to update you as work progresses.

Construction area and pedestrian access around Fairfield station July 2023

What to expect

During these works you will notice intermittent disruptions such as:

- Temporary closure of the Fairfield station pedestrian overpass **between 6:30am Saturday 1 and 6:30pm Sunday 2, and 6:30am Saturday 15 and 6:30pm Sunday 16 July 2023** during a scheduled rail closure. Pedestrians are advised to use the Cronin Street overpass during this time
- Intermittent closures of Mildmay Street / Ashby Street between Lanyard Street and Southall Street, and Equity Street between Cronin Street and Clive Street. Access will be maintained to properties located within the road closure extents under traffic control guidance
- Trucks, frontend loaders, excavators with rock breakers, vacuum trucks, mobile cranes, concrete trucks, concrete pump trucks, concrete saws, grinders, small power tools, minor vibrating equipment, generators, and mobile lighting towers to light work areas at night
- Changes around your local area such as construction vehicles, traffic management signs and personnel
- Increased noise, vibration and dust associated with the use of heavy machinery and equipment.
