

# Works Notice

August 2023

## Signalling work and system testing

Construction work is nearing completion and system testing is continuing along the Shorncliffe Line to deliver Brisbane's new railway signalling system as part of the Cross River Rail Project.

### Details of work

During August, construction work will continue in the rail corridor at sites between Northgate and Shorncliffe stations. System testing will also be carried out.

Construction activities along the rail corridor will include equipment testing, modifications to on-track and trackside equipment, installation of equipment huts, and minor civil works including concreting.

To safely complete works, car park changes will be required at Curlew Street and Cobb Street car parks, Sandgate. Please see local signage for details.

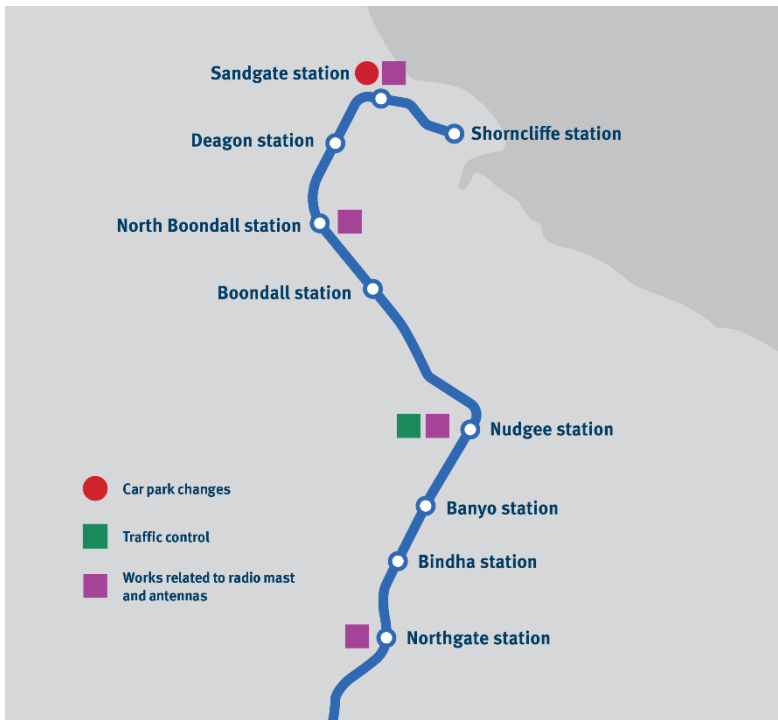

Day works during August are scheduled between **Monday and Friday from 6:00am until 6:00pm**.

Some activities will be undertaken outside normal construction hours, as per the table below (weather and construction conditions permitting).

Date and hours	Location	Type of work
<b>Between 10:00pm and 4:00am intermittently throughout August.</b>	Banyo and Boondall stations	<ul style="list-style-type: none"> <li>Modifications to trackside equipment.</li> </ul>
<b>Between 6:00am and 10:00pm each day on Saturday 26 and Sunday 27 August.</b>	Between Northgate and Shorncliffe stations	<ul style="list-style-type: none"> <li>Signalling testing. No passenger trains will be operational. Alternative transport options will be available. Plan your journey by downloading the MyTransLink app, visit <a href="https://translink.com.au">translink.com.au</a>, or call 13 12 30.</li> </ul>

**Queensland Rail will be undertaking works at Deagon station from 1 August to 7 August. Pedestrian detours will be in place in Albury Street during these works.**

## Work locations

### What to expect if you're a rail customer

Temporary changes to the Curlew Street and Cobb Street car parks at Sandgate station are expected. See local signage for details.

Cross River Rail won't just transform Brisbane, it will transform the way we travel across South East Queensland. But building Cross River Rail means changes to travel and transport services during construction.

Plan your journey by **downloading the MyTransLink app**, visit [translink.com.au](https://translink.com.au), or call 13 12 30.

### What to expect if you live alongside the rail corridor

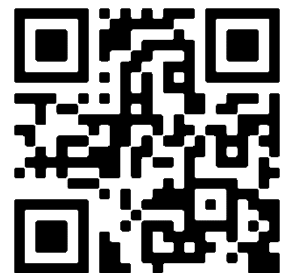

Residents along the rail corridor may see dust and hear noise associated with works (e.g. machinery, light vehicles and work personnel); and mobile lighting towers in work areas during night works.

All staff will be fully briefed about their community responsibilities in relation to minimising noise and disruption after hours.

## We'd love your feedback

We're committed to keeping the community informed of signalling works along the Shorncliffe line.

To assist us continue to refine our communication, we'd appreciate your feedback by completing a short survey by scanning the QR code.
