

Works Notice

November 2023

Construction update Yeerongpilly station

During October 2023, UNITY Alliance undertook significant track modifications, station building and platform demolition and earthworks at Yeerongpilly station. During November, installation of station drainage and services will continue.

Details of work

The following activities are scheduled to occur between 6:30am and 6:30pm, Monday to Saturday during November 2023, weather and construction conditions permitting:

- Continue establishment of temporary site office facilities and laydown areas, delivery of materials and equipment
- Continue removal of material including the use of rock breakers and jackhammer, general earthworks and minor vegetation removal
- Demolition of station retaining wall, footpaths, fencing and commuter carpark areas behind the installed barriers
- Identification and disconnection of services, installation of new station services, cable service relocation works within the rail corridor, installation of drainage and under bore drilling for service relocations
- Continue works at the end of Orive Street for underground drilling for utility works.

Out of hours work

The following activities will occur outside the project's normal working hours, weather and construction conditions permitting as outlined below:

Location	Date and hours of work	Type of work
Yeerongpilly station	Intermittently between 6:30pm and 6:30am during November 2023	<ul style="list-style-type: none"> • Location of inground services including the use of vacuum trucks • Delivery of rail and materials to the rail corridor via Wilkie Street. • Cable service route and drainage installation including excavation • General earthworks and piling rig concrete pad construction.
	Between 2:00am Saturday 11 and 3:00am Monday 13 November 2023	<ul style="list-style-type: none"> • Cable service route installation including excavation, and installation of under track crossings for services (e.g., water, electrical)
	Between 12:00am Saturday 25 and 3:00am Monday 27 November 2023	<ul style="list-style-type: none"> • Installation of overhead electrical wire foundations and masts • Piling works for the gantry crane installation • Installation of pre-cast concrete platform retaining walls • Track construction and maintenance.

What to expect

During these works you may notice some disruptions such as:

- Traffic and parking changes on Wilkie Street between Cardross Street and Station Road. Access will be maintained to properties located within the road closure extents under traffic control guidance
- Light vehicles, trucks and machinery including excavators with rock breakers and jackhammers, trucks, vacuum truck, concrete trucks, loaders, concrete saws, power tools, generators, and mobile lighting towers to light work areas at night
- Changes around your local area such as construction vehicles, heavy equipment, traffic management signs and personnel
- Noise, vibration and dust associated with the use of heavy machinery and equipment.

If you would like to speak with a member of the UNITY Alliance Project Team about these planned works, please contact 1800 010 875 or email info@unityalliance.com.au anytime for more personalised consultation.
