

Rocklea station

As part of the Cross River Rail Project, seven stations from Dutton Park to Salisbury will be upgraded to improve access and functionality.

Station features

Features of the Rocklea station include:

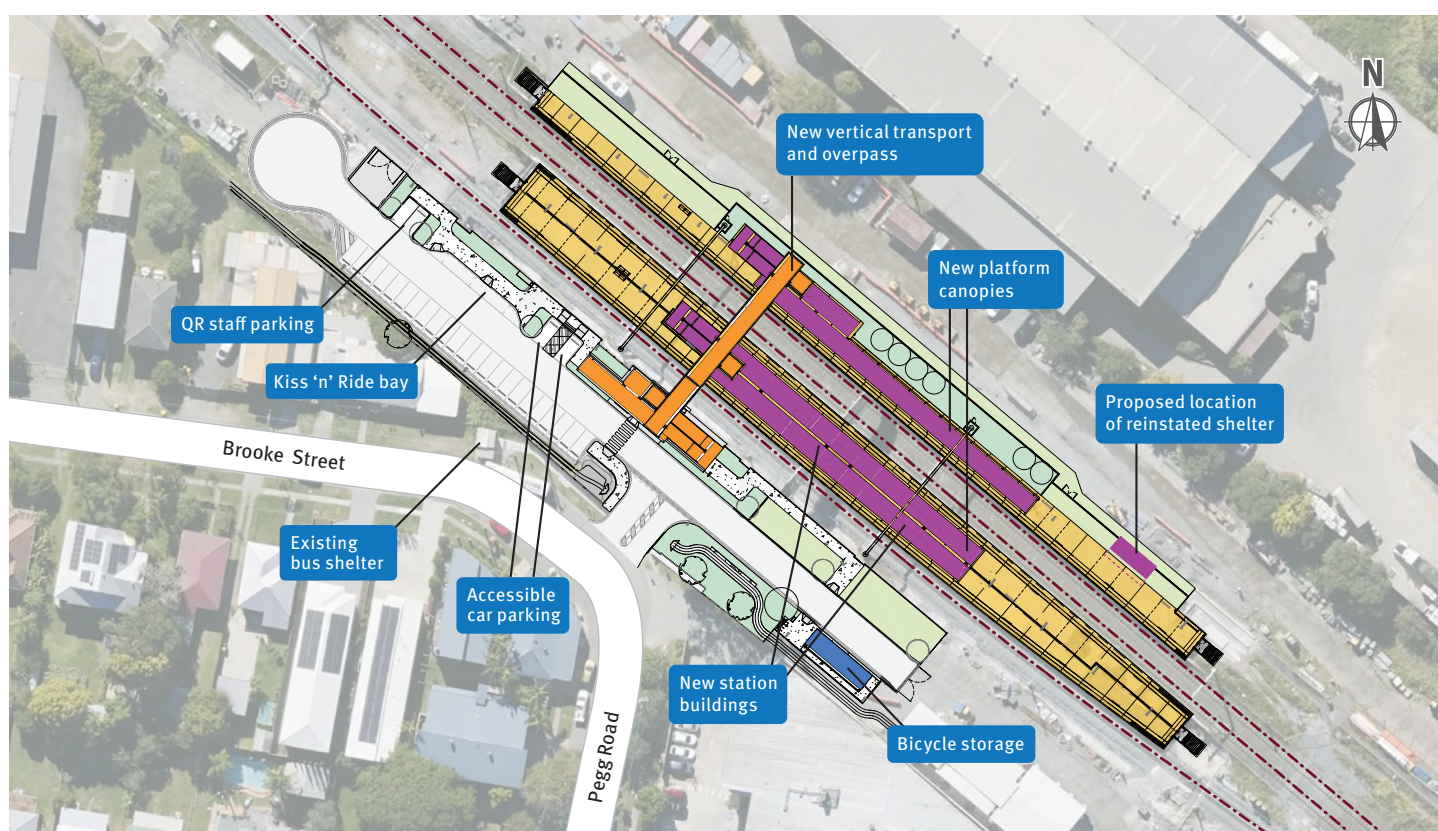

- › An additional (third) platform
- › A new station building
- › An upgrade to the platform finish
- › A new overpass and vertical transport system including three lifts and three switchback stairs
- › Provision for accessible car parking within the existing car park
- › A new canopy on the platform to improve weather protection
- › Improved access to the platforms.

Current status

Major construction is underway. Rocklea station is closed for a full accessibility upgrade until mid-2024.

Project information

Subscribing to receive Project Updates is a convenient way to obtain information about the project and work happening in your area. To subscribe, simply visit the Cross River Rail website and look for the subscription area at the bottom of every page.
