

Works Notice

November 2023 - January 2024

Construction update Salisbury station

Between November 2023 and January 2024, UNITY Alliance will be undertaking early works in your local area as part of the Cross River Rail, Salisbury station accessibility upgrade.

Details of work

The following activities are scheduled to occur between 6:30am and 6:30pm, Monday to Saturday during November 2023 and January 2024, weather and construction conditions permitting:

- Earthworks including vegetation removal and general ground clearing, gravel installation and leveling works on Dollis Street
- Pile pad construction within the rail corridor including excavation and concreting
- Drainage installation works including excavation, steel fixing and concreting
- Service identification using vacuum trucks, and excavation for service installation (e.g., electrical).

Out of hours work

The following activities will occur outside the project's normal working hours, as outlined below:

Location	Date and hours of work	Type of work
Salisbury station and rail corridor	Intermittently between 6:30am and 6:30pm during November 2023 to January 2024	<ul style="list-style-type: none"> • Location of inground services including the use of vacuum trucks • Installation of safety barriers within the rail corridor using power tools including hammer drills • Delivery of materials to the rail corridor via Dollis street, Fairlie Terrace and Lillian Avenue • Earthworks and drainage installation.
	Between 2:00am Saturday 11 and 3:00am Monday 13 November 2023	<ul style="list-style-type: none"> • Cable service relocation including trenching and installation • Excavation (including the use of vacuum trucks) and removal of material for future work
	Between 2:00am Saturday 25 and 3:00am Monday 27 November 2023	<ul style="list-style-type: none"> • Drainage installation works and service identification • Signalling works and installation of overhead electrical line masts and foundations
	Between 12:00am Saturday 9 and 3:00am 11 December 2023	<ul style="list-style-type: none"> • Cable service relocation including trenching and installation • Piling for new overhead structures
	Between 6:00am Saturday 23 December 2023 and 9:00pm Thursday 18 January 2024	<ul style="list-style-type: none"> • Earthworks for new station platform • Cable service relocation including trenching and installation • Signalling works and installation of overhead electrical line masts and foundations • Drainage installation works and service identification • Precast concrete panel installation and concrete works.

What to expect

During these works you may notice some intermittent disruptions such as:

- A single lane closure on Fairlie Terrace and Dollis Street to access the rail corridor (please see map overleaf). Traffic control and signage will be in place to direct motorists, pedestrians and cyclists around work areas
- Light vehicles, trucks and machinery including excavators (with rock breaker), bobcat, vacuum trucks, soil sampling drill rig, concrete trucks, concrete pump trucks, small power tools, drills, saws, minor vibrating equipment and mobile lighting towers to light work areas at night
- Changes around your local area such as construction vehicles, traffic management signs and personnel
- Increased levels of noise, vibration and dust associated with the use of heavy machinery and equipment
- Placement of temporary fencing around construction areas.

Work locations at Salisbury station November 2023 to January 2024

Stay updated

Subscribing to receive project updates and information on construction works is a convenient way to keep up to date with the project and work happening in your area. To subscribe, simply visit the Cross River Rail website via this QR code and look for the subscription area you would like to join.

We appreciate your patience during construction and will continue to update you as work progresses.
