

Works Notice

December 2023 – January 2024

Completion works Fairfield station

During December 2023 and January 2024, UNITY Alliance will continue rectification and finishing works around the Fairfield station precinct.

Details of work

The following activities are scheduled to occur between 6:30am and 6:30pm, Monday to Saturday during December 2023 and January 2024, weather and construction conditions permitting:

- Minor rectification works including services (e.g., electrical), patching, painting, sealing, concrete repairs, steel welding and fixing, other minor finishing activities on the pedestrian overpass, station platforms and buildings
- Ongoing maintenance of landscaping.

The following activities will occur outside the project's normal working hours, as outlined below:

Location	Date and hours of work	Type of work
Fairfield station and rail corridor	Between 6:30pm and 6:30am intermittently during December 2023 and January 2024	<ul style="list-style-type: none">• High pressure water cleaning on station platforms including the use of generators for cleaning equipment• Minor finishing activities within the rail corridor (e.g., electrical, concrete repairs, patching)• Station platform sealing and painting works• Cable service route installation including excavation, and installation of under track crossings for services (e.g., comms, electrical) in the rail corridor.

What to expect

During these works you will notice intermittent disruptions such as:

- Intermittent temporary traffic changes on Mildmay Street / Ashby Street between Lanyard Street and Southall Street, and Equity Street between Cronin Street and Clive Street. Access will be maintained to properties located within the road closure extents under traffic control guidance
- Trucks, excavators, vacuum trucks, mobile cranes, concrete trucks, concrete pump trucks, concrete saws, grinders, small power tools, minor vibrating equipment, generators, and mobile lighting towers to light work areas at night
- Changes around your local area such as construction vehicles, traffic management signs and personnel
- Increased noise, vibration and dust associated with the use of heavy machinery and equipment.

Cross River Rail won't just transform Brisbane, it will transform the way we travel across South East Queensland. But building Cross River Rail means changes to travel and transport services during construction. Plan your journey by downloading the MyTranslink app, visit translink.com.au or call 13 12 30.

We appreciate your patience during construction and will continue to update you as work progresses.
