### What to expect

During these works you may notice some intermittent disruptions such as:

- Intermittent single lane closures on Fairfield Road (outbound)
- Lane closures on Muriel Avenue with Queensland Police and traffic control to assist. Traffic movements will be maintained in both directions through the work area. Traffic delays are expected. Please allow extra travel time
- Light vehicles, trucks and machinery including excavators with hydraulic hammers, graders, rollers, water carts, front end loaders, mobile cranes, piling rigs, drilling rigs, vacuum excavation trucks, small power tools, drills, saws, minor vibrating equipment and mobile lighting towers to light the work areas at night
- Changes around your local area such as construction vehicles, traffic management signs and personnel
- Some noise, vibration and dust associated with the use of heavy machinery and equipment.

We appreciate your patience during construction and will continue to update you as work progresses.
