

UPDATED February 2024

Moorooka station concept design

As part of the Cross River Rail project, a new Moorooka station will be constructed to improve access and functionality.

Get involved and have your say

We'd like your feedback to help further develop the Moorooka station concept design.

The concept design public comment period finishes on **Sunday 3 March 2024**.

Community drop-in sessions

We will be holding community drop-in sessions to enable you to meet the team, ask questions and provide feedback. Drop in anytime at the sessions below:

Moorooka Community Centre

40 Gainsborough Street, Moorooka

Wednesday 14 February 2024

11:30am until 1:30pm

Saturday 2 March 2024

9:00am until 11:00am

Online

Station features

Features of the new Moorooka station include:

- An additional third platform to be co-located with the current Moorooka station platforms
- A new station building
- An upgrade to the existing platforms
- A new overpass and vertical transport system including three lifts and switchback stairs to improve access to the platforms
- Kiss 'n' Ride parking bays and new accessible car parking off Ipswich Road
- New bus bay facilities at the station entrance to improve public transport connectivity
- New canopies on the platform, to improve weather protection
- New secure bicycle storage facilities with capacity for up to 40 bikes.

Current status

Early works are underway and timing for the start of construction is dependent on the station design being finalised. The station is planned to be complete in 2026.

Clapham Yard

As part of the Cross River Rail project additional train stabling, crew facilities, maintenance buildings, fencing and staff car parking will be built at Clapham Yard, adjacent to Moorooka station. Construction works at Clapham Yard commenced mid-2021.
