

Works Notice

Pimpama station construction update

ADCO Constructions is continuing major construction activities along Kosciuszko Circuit and site compound activities on the corner of Mebbin Street and Gainsborough Drive. Further construction work will also continue within the rail corridor.

Major construction

Eastern works area (EWA) – adjacent to Kosciuszko Circuit and Great Sandy Circuit

Western works area (WWA) – corner of Mebbin Street and Old Pacific Highway

Main site compound – corner of Mebbin Street and Gainsborough Drive.

Throughout March 2024, major construction activities will continue, including:

- Structural steel works involving ongoing assembly of steel components into platform frames.
- Installation of pits, conduits and under track crossings for services (e.g. communications and electrical)
- Lift well and stairwell construction works
- Excavation around footings and retaining walls for pedestrian gantry (EWA)
- Concrete pouring and curing for station support infrastructure (EWA) and retaining wall for car park including installing reinforcement, formwork and concrete pours (WWA)
- Earthworks for the car park, crane pad preparation for footbridge lift and station building (WWA)
- Bored piling works (WWA) and footbridge bridge column installation (EWA)
- Excavation around footings and retaining walls for pedestrian gantry, and western facing batter
- Delivery and installation of platform lift shafts and stairs (both work areas).

Rail corridor works – adjacent to Kosciuszko Circuit, Great Sandy Circuit and Gainsborough Drive.

Rail corridor works are planned to occur outside normal working hours during scheduled track closures, with high impact activities planned between the hours listed below where possible.

Rail corridor works (including nightworks) are scheduled, pending construction and weather conditions, for:

- 6:00am Saturday 9 March to 6:00pm Sunday 10 March 2024
- 6:00am Saturday 16 March to 6:00pm Sunday 17 March 2024
- 6:00am Saturday 23 March to 6:00pm Sunday 24 March 2024

Key: Work hours

	Standard construction hours Works will be undertaken between 6.30am until 6.30pm Monday to Saturday. Truck movements and temporary traffic holds will be reduced during peak hour periods to minimise impacts to motorists.		24 hours Rail corridor works are undertaken 24 hours a day, 7 days a week with high impact activities planned between 6.30am to 6.30pm where possible. Queensland Rail is assisting with enabling works to support the construction of Pimpama station including signalling, overhead line, and telecommunication activities.
---	---	---	--

What to expect

- Pimpama City Shopping Centre stage 3 will be open from early March with entry via the newly constructed station access road.
- Access into the station construction site is restricted to construction vehicles only with traffic controls for the safe entry and exit of heavy vehicles.
- The Mebbin Street footpath on the northern side (closest to the station worksite) will be closed until September 2024. The southern footpath on the opposite side of the road remains open – please see map below and local signage for details.
- Construction activities may generate increased levels of noise and dust in the area associated with the works being undertaken.
- Lighting will be required during the rail corridor works.
- Increase in workforce and construction vehicle movements around the station site for transport of materials, equipment, and machinery.
- Ongoing traffic movements with trucks transporting excavated material from the eastern rail corridor on Kosciuszko Circuit to the western works area and main site compound.
- Access to surrounding properties will be maintained during the works with possible delays due to truck movements via traffic control management. Truck movements and temporary traffic holds will be reduced during peak hour periods to minimise impacts to motorists.

Changes to the way you travel

These three new stations on the Gold Coast line will transform the way we travel across South-East Queensland but building them means changes to travel and transport services during construction.

Head to the website to sign up to receive updates and use the TransLink Journey Planner at translink.com.au, call 13 12 30 or download the MyTransLink app to plan your journey in advance.
