

Works Notice

October 2025

Gibbon Street traffic changes

From Tuesday 7 October 2025 for approximately six weeks, there will be construction work in and around a sewer connection manhole at the intersection of Gibbon Street and the Stanley Street service road. A full road closure will be in place throughout this period.

Work details

Work to amend the manhole sewer connection between Gibbon Street and the Stanley Street service road which has previously been constructed will take place.

Activities will include:

- Site establishment and traffic control set up
- Removing of existing road surface using excavators, jackhammers and vacuum excavators.
- CCTV inspection of the existing sewer pit.
- Demolishing existing concrete benching.
- Raising existing manhole, reinstating the temporary platforms, installing new pipe and reinstating concrete.
- Road resurfacing with profilers and vibratory equipment.
- Backfill, reinstatement and line marking on the road.

What to expect

- Temporary vehicle and pedestrian detours.
- Use of machinery including vacuum excavation trucks, road saws, generators, compressors, excavators, haulage vehicles, lighting units and hand tools.
- Increase in noise, dust, vibration and worksite lighting.
- Increase in personnel carrying out works.
- No service outages are expected for local residents during this work.

Traffic and pedestrian changes

- Vehicle access from Stanley Street onto Gibbon Street will be closed.
- Access from Gibbon Street onto the Stanley Street service road will be closed.
- A vehicles detour will be place via Ipswich Road and Hawthorne Street.
- Access to properties, businesses and the cycle path will be maintained.
- Traffic control will remain in place to assist motorists, pedestrians and cyclists.

Please refer to the map overleaf for a full overview of traffic changes during this closure.

Work hours

These works and associated traffic changes will take place continuously during the day and at night for approximately six weeks.

All works are subject to relevant approvals and suitable weather conditions.

In the event of wet weather or unforeseen circumstances, works may be rescheduled. Advance notification will be provided for any changes.

We thank you for your continued patience and support as we deliver this important package of works for the new Woolloongabba station.

Full road closure on Gibbon Street from Tuesday 7 October 2025.
