

Works Notice

November 2025

Hope Island station construction update

Acciona Georgiou Joint Venture (AGJV) has been awarded the contract to design and build Hope Island station, with major construction underway.

Key construction activities to be carried out in November are outlined below.

Pictured: Bus bay and platform construction

Upcoming works

Location	Hours of work	Type of work
Station carpark and building works	7:00am to 5:00pm Monday to Saturday, weather and construction conditions permitting. - Intermittent out of hours works in the car park between 7:00pm and 5:00am from Sunday to Thursday.	- Asphalting, line marking, signage installation and landscaping in the station carpark - Station building and plaza fit-out, services installation and landscaping - Fit-out of the bus bay areas - Services installation in the station carpark including lighting, CCTV and speakers
Station platform works	7:00am to 5:00pm Monday to Saturday, weather and construction conditions permitting.	- Ongoing platform fit-out activities including painting, tactile installation, screen installation, platform furniture installation and signage - Installation of balustrade and glazing on the stairs - Services installation including lighting, CCTV and speakers
Hope Island Road works	7:00am to 5:00pm Monday to Saturday, weather and construction conditions permitting. - Due to traffic permit requirements, ongoing works on Hope Island Road will also be completed out of hours between 7:00pm and 5:00am from Sunday to Thursday.	- Installation of underground utility services and drainage infrastructure - Road profiling, asphalting, kerb and pavement placement - Light pole and signage installation - Line marking and landscaping activities - Installation of traffic signals (to be commissioned at a later date).

Rail corridor works

Some rail corridor works are planned outside the project's normal working hours to ensure works can be completed safely and efficiently. Out of hours rail corridor works are scheduled **from 2:00am Saturday 15 November to 2:00am Monday 17 November 2025** - activities include platform construction and other associated works.

Changes to the way you travel

Construction of new stations, including Merrimac, on the Gold Coast line can mean changes to your travel. We encourage you to consider your travel options, plan ahead and allow extra travel time by downloading the Translink app, visiting [Translink.com.au](https://www.translink.com.au) or calling 13 12 30.

What to expect

- Local traffic changes including intermittent lane closures and night works on Hope Island Road
- Construction activities may generate increased levels of noise, dust, and vibration associated with the use of construction equipment. Every effort will be taken to keep noise to a minimum
- Safety lighting and reversing squawkers will be in use; however, lighting will be positioned away from residential properties where possible
- The use of machinery including elevated work platforms, excavators, trucks, compaction equipment, vacuum trucks, asphaltting equipment, concreting equipment, line marking equipment, cranes, water carts, and other hand-held tools
- Increased truck movements to and from site
- Pedestrian changes in Mangrove Jack Park and along Hope Island Road. Please follow all relevant signage.
