

Works Notice

March 2026

Hope Island station construction update

Acciona Georgiou Joint Venture (AGJV) is continuing works at Hope Island station.

Key construction, testing and commissioning activities to be carried out in March are outlined below.

Pictured: Station construction underway

Upcoming works

Location	Hours of work	Type of work
Station car park, building and platform	<ul style="list-style-type: none"> 7:00am to 5:00pm Monday to Saturday 	<ul style="list-style-type: none"> Station building fit out and platform finishing works Line marking, landscaping and finishing works in the station car park Site office demobilisation and reinstatement activities
Station car park and Hope Island Road	<ul style="list-style-type: none"> Intermittent out of hours works: 7:00pm and 5:00am from Sunday to Thursday 	<ul style="list-style-type: none"> Line marking and finishing works
Mangrove Jack Park	<ul style="list-style-type: none"> 7:00am to 5:00pm Monday to Saturday 	<ul style="list-style-type: none"> Landscaping and reinstatement of pathways

**Construction activities are subject to weather and site conditions.*

Testing and commissioning activities

Testing and commissioning activities continue to be undertaken across the station precinct, including on electrical systems such as lighting and other station systems and equipment (CCTV, alarms, public address system and lifts).

Specific timing for the introduction of the station into the existing network will be decided in conjunction with Queensland Rail and Translink and has not yet been determined. The community will be notified in advance of the station opening.

Rail corridor works

Rail corridor works including platform works are planned outside the project's normal working hours to ensure works can be completed safely and efficiently. Out of hours rail corridor works are scheduled **from 2:00am Saturday 14 March to 12:00am Monday 16 March 2026**.

Changes to the way you travel

Construction of new stations on the Gold Coast line, including Hope Island, can mean changes to your travel. We encourage you to plan ahead by downloading the Translink app, visiting Translink.com.au or calling 13 12 30.

What to expect

- Construction activities may generate increased levels of noise, dust, and vibration associated with the use of construction equipment. Every effort will be taken to keep noise to a minimum
- Safety lighting and reversing squawkers will be in use; however, lighting will be positioned away from residential properties where possible
- The use of machinery including elevated work platforms, excavators, trucks, compaction equipment, cranes, water carts, and other hand-held tools
- Pedestrian changes remain in place in Mangrove Jack Park and along Hope Island Road. Please follow all relevant signage
- Local traffic changes including intermittent lane closures and night works on Hope Island Road.

Hope Island station stakeholder satisfaction survey (March 2026)

Acciona Georgiou Joint Venture (AGJV) invites you to participate in a short, online survey about community engagement performance on the project. We encourage you to have your say and provide valuable feedback to the team.

To participate in the survey, please scan the QR code.

The survey is anonymous and will remain open until Friday 6 March 2026. For further information, contact the AGJV Project Team on 1800 010 875 or email hopeislandstation@ag-jv.com.au.
