

Works Notice

Pimpama station upcoming works

ADCO Constructions will be undertaking minor construction activities at Pimpama station during June and July.

Minor civil and electrical work activities will be taking place taking place within the **station carpark** and near the station entrance on **Kosciuszko Circuit** from the first week of June through to late July.

Public and rail customer access to the station will remain available, with barricading and controls around active work areas to maintain safe pedestrian movement.

Details of works

- Minor excavation, concrete cutting and asphalt removal
- Removal of light poles and concrete, reinstatement works
- Temporary fencing, barriers and exclusion zones
- Vacuum excavation and concreting works
- Installation and testing of lighting infrastructure
- Minor landscaping/reinstatement works in the former site office area (cnr Mebbin Street and Gainsborough Drive).

What to expect

- Construction crews and work vehicles
- Intermittent construction noise
- Vehicle movements and equipment including concrete trucks, excavators and use of hand tools.
- Traffic management within the station carpark
- Intermittent traffic control Kosciuszko Circuit (if required), with access to surrounding properties maintained.

Work Hours

- **Day works** 6:00am – 6:00pm, Monday to Friday
- **Night works** are expected to be minimal and will primarily involve low-impact electrical works, testing and inspections.

Works are weather and site condition dependent and may be subject to change.

We understand these activities may cause temporary inconvenience and every effort will be made to minimise impacts to nearby residents and businesses. Thank you for your patience while we carry out these works.
