

# Works Notice

June – July 2026

## Construction update Yeerongpilly station

In June and July 2026, installation of services and drainage works will continue within the rail corridor between Yeerongpilly and Moorooka stations.

### Details of works

The following activities are scheduled to occur between 6:30am and 6:30pm, Monday to Saturday throughout June and July, weather and construction conditions permitting:

- Installation of service pits, conduits and drainage within the rail corridor including excavation, compaction and concreting. Intermittent temporary traffic holds on Wilkie Street (refer to map) will be used for large plant and equipment access to the rail corridor.

### Out of hours work

Work activities scheduled during planned track closures (when trains are not operating) or outside the project's standard working hours are outlined below, weather and construction conditions permitting.

Location	Date and hours of work	Type of work
Yeerongpilly station and rail corridor	<p>Between:</p> <ul style="list-style-type: none"> <li>• 12:00am Saturday 30 May and 3:00am Monday 1 June 2026</li> <li>• 2:00am Saturday 13 June and 3:00am Monday 15 June 2026</li> <li>• 12:20am Saturday 20 June and 3:10am Monday 22 June 2026</li> <li>• 2:00am Saturday 27 June and 10:00pm Sunday 19 July 2026.</li> </ul>	<ul style="list-style-type: none"> <li>• Installation of services (e.g. electrical, communication) and drainage including excavation, compaction and concreting for drainage installation</li> <li>• Excavation and earthworks to support signalling installation and undertrack crossings</li> <li>• Track works and maintenance.</li> </ul>

### What to expect

During these works you may notice some disruptions such as:

- Intermittent traffic holds on Wilkie Street between Crichton Street and Station Road to allow construction traffic in and out of the rail corridor
- Trucks and machinery including frontend loaders, excavators with rock breakers, vacuum trucks, mobile cranes, small power tools, concrete trucks, concrete pump trucks, concrete vibrating equipment, generator to power a mobile site office (day and night) and mobile lighting towers to light work areas at night
- Increased noise, vibration and dust associated with the use of heavy machinery and equipment.

We appreciate your patience during construction and will continue to update you as work progresses.

## Yeerongpilly station work areas and traffic changes

### Changes to the way you travel

From **Saturday 27 June to Sunday 19 July**, there will be track closures and travel changes on the Beenleigh and Gold Coast lines for works on multiple projects to build a better rail network for South East Queensland. Please allow extra travel time and plan your journey by **downloading the Translink app, visiting [translink.com.au](https://translink.com.au) or calling 13 12 30.**
